I. INTRODUCTION

In the year 2010, Lord Prof. Momtchil Dobrev developed the ‘Theory of Mafiotismus’ as a new state niveau based on the prime minister's private and personal interests. Based on this “Theory of Mafiotismus,” Lord Prof. Momtchil Dobrev developed 2010 the “Financially banking resource-based technological mafia-driven materialism” as a based principle materialismus since more than 17 century.

In the year 2001, Lord Prof. Momtchil Dobrev developed the Theory of the mafia and corruption theory. Both theories have been developed by analyzing the mafia and corruption all over the world.

The 2020 US elections have proven exactly how the falsification scheme, fraud in elections organized by the elite, the oligarchy, the kleptocracy, and the mafia in the United States works. This mafia aims at the NEW WORLD ORDER and the enslavement of the entire planet and all nations. As President, Trump opposed this mafia, but it tricked him into rigging the election.

This article analyzes and reveals all the falsifications and frauds during the US 2020 elections on November 3, 2020. The falsifications and frauds were committed by the elite, oligarchy, kleptocracy, and the US mafia - representatives of the Financial Banking Resource Technology Mafia MATERIALISMUS.

President Trump jumped on this elite, the oligarchy, from 2016 to 2020. President Trump thwarted the plans of the oligarchy in many areas. Apart from the fact that this oligarchy prepared for him both the pandemic, Kovid 19, and the falsification of the 2020 elections.

III. THE FRAUD AND COUNTERFEITING OF THE US 2020 ELECTIONS in the USA

The United States has entered a deep political, economic, and moral crisis.
The foundations of American democracy, which boasted that it is not just a model, not just an example, not just a proof of the most developed and indisputable democracy, have been undermined.

The events around November 3, 2020, became censorship in well-defined media and social networks. There was organic pluralism, in the democratic discussion.

There are also proven election frauds.
Similar election frauds have been committed in Bulgaria since 2013, and the government has learned about these frauds from certain US structures.

The United States undermined the name of a great nation that seemed to serve as an example.

The United States undermined the name of a nation that boasted its democracy and set its democracy as an example.

The United States promoted its democracy and based on that, and they IMPORTED DEMOCRACY IN OTHER COUNTRIES. Based on the boasting of the best DEMOCRACY, the United States made YELLOW REVOLUTIONS in different countries.

AND AT THE SAME TIME, THEY DID NOT IMPORT DEMOCRACY, BUT IMPORTED CORRUPTION SCHEMES, IMPORTED FICTIONAL IMITATION OF DEMOCRACY.

US ELECTIONS PROVE THE EXISTENCE OF A FICTIONAL IMITATION OF DEMOCRACY

The typology of electoral fraud conducted as such in Bulgaria, fully supported by the United States, took place in Georgia, Michigan, Pennsylvania, Arizona, Nevada, Wisconsin, in fact on the states on which the election of the President of the United States depended.

The scams were:
- Voting of "dead souls."
- Voting more than once
- Voting without identification
- Expulsion of election observers during the counting of votes
- The election officials from the commission filled in the ballots per kilogram
- Machine voting and counting have been compromised
- Acceptance of bulletins from the post office after the legal deadline
- Receiving ballots from the post office without identifying the voters
- The number of dead and non-living in one state exceeds those entitled to vote
- There are more voters by mail than those who have the right to vote.
- Abuse of postal voting
- On election night, counting stopped at the same time in the disputed states of Georgia, Pennsylvania, Michigan, Arizona, Nevada, Wisconsin,
- And the next moment, the numbers who voted for Biden jumped by tens of hundreds of thousands of voters for Biden without a single vote for Donald Trump
- Forensic audit of some of the voting machines in Antrim, Michigan, proved the transfer of 6,000 votes from Trump to Biden

- Proven software manipulation of the vote count is the registration of votes for Biden in favor of Biden
- Available software built-in ability to manipulate the results
- Access of insiders directly to the machines and their software
- Manipulation of the software even during its installation by the internal people of the election commission
- Electoral fraud was organized in all states
- Programming voting machines to distribute more votes to Biden.
- Machine programming anywhere in all states.
- Counterfeit envelopes
- Stop counting in the middle of the night to prepare ballots for Biden
- Sending observers home due to suspension of the census
- "Voting from the graves" - voting for dead souls, long-dead people
- Voting out of nowhere "registered" Americans
- Voting of people from one state to other states
- Retrospective ballots - anti-dating - the return of the date of receipt
- Found ballots allegedly sent by mail, but they are not folded and not placed in an envelope.
- Multiple exceedances of the number of Americans registered to vote.
- Instantaneous - per second jumps in "votes" for Biden in the software with hundreds of thousands of pieces, and not a single piece for Trump.

FOLLOWERS OF BIDEN AND TRUMP on Facebook, TWITTER

Biden's followers in the wind - 20 million.
Trump's followers on Twitter - 88.8 million
Biden's followers on Facebook - 7.78 million
Followers of Trump on Facebook - 34.72 million

With these data, it is somehow unthinkable to get such election results as they come out.
The purpose of these scams was to steal Trump's "red states" and make the vote more widespread. In this way, large-scale fraud is covered up.

In reality, honesty in the choice was violated.
If an election is uncertain, the election is declared discredited.

Election observers were isolated, removed from the opportunity to monitor election officials' actions in the counting of ballots.

Election observers are placed 30 to 50 meters or more from the places where the census takes place.
They are invited to leave the polls in some places, even to go home, because they have stopped the counting process.

Despite all the evidence, the censorship of social networks Facebook, Twitter, and free media overflowed with evidence - recordings,
Hundreds of witnesses signed affidavits to notaries describing the violations.
Georgia. The number of dead and non-living in the state who voted in the election exceeds the actual number of eligible voters.

Those who voted by mail are more than those who have the right to vote.

Biden wins Georgia, an all-red state for Donald Trump with a red governor and a red legislature, which is virtually impossible.

Pennsylvania lacks 47 memory cards with more than 50,000 votes.

In Pennsylvania, 1.8 million ballots were mailed to voters, and 2.5 million ballots were counted. This is a difference of 700,000, a proven fraud.

The MAFIOTISMUS in the state structures - they refuse to check the signatures.

This will show whether the ballots sent by mail have been submitted legally.

VOTE BY MAIL

The problems with voting by mail arose after the authorities sent ballots to everyone on the voter lists, not just to those who explicitly asked because they wanted to vote.

Many ballots on which they never voted were collected by the Democrats and sent on their behalf voting for the Democratic Party.

That is why the signatures need to be verified.

 Authorities did not allow an audit of all machines regarding machine voting.

 Authorities did not allow an audit of the machines where there was software manipulation in Biden’s favor.

Arizona state senate requests to audit these scams were not allowed. There was sabotage by the state election commission.

This is real resistance.

Already in the 2005 report of the Center for Electoral Reform, “To increase confidence in the electoral process,” Baker - Carter points out:

- The great dangers of reduced control when voting by mail
- Ability to manipulate the machines
- Ability to manipulate the census

In reality, not only legitimate votes are counted, Election fraud in the United States is the rule rather than the exception.

Specific people led members of the election commission change ballots and this

Before the election, such people were trained

FAKE BALLOTS

There are no special security elements in the bulletin - a seal or a watermark.

The counterfeiter simply creates his ballots by running them through a copier.

But reverse envelopes are "safer ballots."

Because the envelope cannot be copied, so it must be from a real voter.

Another scheme - Participants go door-to-door to voters and persuade voters to allow them to take their completed ballots and send them on their behalf as a public service. So they take the sealed envelopes and take them home, open them on steam, replace the real ballot with a fake one and seal the envelope.

- Then, for greater security, they are scattered in different mailboxes not to attract this attention.

PARTICIPATION IN POSTMANS

If there is a postman who is an opponent of Trump, he can do the following?

"Throw the ballots in the trash if he knows they're for Trump."

- To delay them and restrict them after the end of the election day.

- In this way, ballots never reach the polling stations

VOTE BY MAIL

During the mail voting, bilateral supporters collect and count the ballots in the local election commissions, deciding which ballots are valid and discarded due to irregularities.

ELDERLY HOMES AND HELPING ELDERLY PEOPLE TO VOTE

This is a great opportunity to receive fake ballots and return ballots.

In some nursing homes, nurses are hired agents who go from room to room, and they fill out the ballot, which is for one candidate, but this is not the candidate who asked to be reported by the elderly person in the nursing home.

There are situations when Uzhkim civil servants help foreigners in their homes to fill out the ballot.

IN THE POLLING STATIONS EXPULSION OF THE OBSERVERS OF THE OTHER CANDIDATE

When they are removed or expelled even from the room and not only 5-10 meters, the observers who represent the other candidate

For example, when the ballot is folded at this angle, it is valid for "our" candidate, and it is valid or corrected.

After mixing these ballots, they are mixed with the others and cannot be distinguished, and thus valid votes become

FAKE VOTERS

People vote in polling stations where no ID card is required. For example, Pennsylvania is such a state.

Another option is to fill in cards with that person's name and area and give them to a third person to go to the polls to vote.

Organized counterfeiters reproduce the signature of the person they are voting for.

Newsletters are sent by mail, but people who have long since died.

Bulletins are issued a flora who do not live in this village at all. For example, paradoxes arise when, for
example, there are 350 voters in one settlement, and there are 670 ballots for that area.

VOTE BRIBERY
Homeless shelters are one such source of voters who easily get corrupt.

FRAUD AT SOFTWARE LEVEL THROUGH THE ELECTION SOFTWARE SYSTEM PROGRAMMING MACHINES TO DISTIBUTE MORE VOTES for Biden
Ascertainment from space.

The counting of US elections is done through software systems outside the US. This is done in Frankfurt am Main and Barcelona through Dominion Voting System and SUUTL - a European software company based in Barcelona. It offers purpose-based voting systems. World.

Until its inception, the system has proved vulnerable to electronic manipulation.

George Soros is the head of the Board of Directors of DOMINION.

Apart from that, Microsoft co-founder RAUL ALLEN has invested $ 40 million in SCUTL.

The main shareholder and holder of most of the shares in SCUTL is the husband of Nancy Pelosi, who is chairman of the US Senate, whose nephew is the governor of California.

On December 2, 2020, DOMINION received $ 400 million from the Chinese government through a Chinese bank in Switzerland.

It has been proven that, through this system, the 7 million votes that were for Trump were transferred to Biden.

Apart from that, 3 million people who died and were born and lived in the middle of the 18th century voted for Biden, and both ballots and ID cards were printed in China.

On election day, November 3, 2020, President Trump sat in the Eisenhower Hall of the White House on a 4-screen screen and watched everything happen.

On these screens, each bulletin was tracked thanks to the QUANTUM BLOCKCHANE system.

The official ballot for the November 3, 2020 elections was marked with a very complex radioactive isotope watermark that can be traced from space.

The US government, after determining that this server of the DOMINION participates in the count of votes.

After the order, the server was found in Frankfurt.

November 9 saw the dismissal of Secretary of Defense Mark Esper and Christopher Miller's appointment, a former director of the National Counterterrorism Center.

On November 7, 2020, CIA Director Gina Haspel was arrested in Frankfurt am Main.

On November 4, after the election, the Department of Defense, the 305th Battalion, and the National Security Agency (NSA) recorded real-time fraud to change votes in Georgia, Michigan, Nevada, Arizona, Wisconsin, and Pennsylvania.

Frankfurt am Main is home to the CIA's largest overseas cyber center. It is the largest overseas structure outside the United States. There is a cyber attack against the cyber center. These actions hit the elite, the oligarchy, the mafia, key structures working against the US constitution. The center ensured the theft of votes from Trump, and these votes were transferred to Biden and falsified.

The fact that in five critical states of the United States, simultaneously the counting of votes was stopped at the same time by someone's order shows that the work of election commissions is managed by external forces violating the Constitution.

CIA Director Gina Haspel led these falsifications of election results.

It has been declared treason.

All of these actions point to Obama and Biden.

In addition, the director of the US Agency for Cyber and Infrastructure Security CISA Creech Krebs was accused of treason and fired.

The military operation in Frankfurt was led by General Richard Clark, who was born and raised in Stuttgart into a military family and who knew Stuttgart, which is 150 km away, very well. Far from Frankfurt.

He commanded the operation as commander of the US Special Operations Headquarters in Florida. In Wiesbaden, which is close to Frankfurt, is the command center of the American troops in Europe and uses premises, buildings with an area of 12,000 sq.m. This is a US military intelligence center. This server contains information on who ordered the election commissions to stop counting and who ordered the activation of the software for transferring votes from Trump to Biden.

According to General McKinney, President Trump must and must declare a state of emergency in the United States under the 1807 Uprising Act., which allows the deployment of troops in the United States to suppress lawlessness and initiate the immediate arrest of criminals., participated, organized, conducted, rigged the 2020 elections.

This law has been enacted six times in US history. Movements such as "We the people - wi du people insist on this action.

This event was not noticed by the media at all // Iskra Lukanova /.

MAFIA ORGANIZATION - MAFIOTISMUS OF US STATE STRUCTURES

This whole structure is organized and managed by a trusted member of the candidate, as he organizes training of his agents, controls his agents, contacts with his agents as at the higher level, if someone asks a question, then the lowest level of agents has nothing to do and they have not contacted, they do not know, they do not know the person who is at the higher level.

This is the nimble mafia organization, hierarchically organized in several levels, and the upper level is in contact with everyone from the lower level, and on the horizontal level people do not even know each other.

This is a precisely structured, mafia organization.

Even with this evidence of fraud, there was an abdication of such institutions as FBI, CIA, NSA, Department of Homeland Security. These are all institutions that are run by the elite and are subordinated to the elite, to the mafia. These institutions protect only the elite, not the law.

ABDICATION AND BLOCKING OF THE JUDICIARY - MAFIOTISMUS OF THE COURT DEPENDENCE OF JUDGES on any

The Ministry of Justice's refusal to comply with US law.

The refusal of judges to hear appeals with indisputable evidence of fraud attached.

X. PRINCIPLES of the MAFIOTISMUS in USA

The differences in fasism and mafiotismus. State capitalism - is a system in which the state replaces private entrepreneurs in their role as capitalist factors.

In state capitalism, all property and all means of production are concentrated in the hands of a capitalist - the state, which is in most cases governed by party leadership and party nomenclature.

The assigned value of the production is redistributed by the sole capitalist - the state. It is often called either socialist or communist.

It is often argued that the countries of the socialist bloc are neither folk nor social, and the economic system is actually a stagnant capitalism

Capitalism is an economic system in which production, trade is privately owned and governed by market economy methods, which in turn follow the princes of supply and demand. The main engine in such a system and supposedly "competition".

PRINCIPLES OF MAFIOTISMUS - THE NEW TYPE OF STATE GOVERNANCE IN PRIVATE AND PERSONAL INTERESTS

The state is governed by the Prime Minister if the same state is a parliamentary republic that has put in place and directs each state institution - a ministry, a state agency, manages both the executive and the judiciary through appointments that are close to him, and manages the legislative power - the parliament.

The people are a crowd according to mobbing. Principles of crowd control: suppressing the masses to be guided by petty passions.

Creating problems for the "crowd" - the people through taxes, high prices, high interest rates on bank services, management of the free means of citizens from the middle class, thus, through trickery and hypocrisy, the greatest human virtues are suppressed - honesty and honesty, which, according to mafia, are vices,

The rule of law - where the law begins, where it ends.

Gentle law enforcement, liberal rights, the right of the strong,

It interferes and removes all existing arrangements and regulations

МаЛиотизмъ puts a hand on the laws, reconfigures the institutions, the necessary and useful is only for their purposes and aspirations.

FORMULA OF THE MAFIOTISMUS

The most simple model of the mafia that describes the factors that affect the amount, type, and etc of the mafia is the following:

MAFIOTISMUS = PERSONAL Power / on the top of state institutions / state and etc/ + Influence + Connections / to personal, private companies + Interests / personal, private, corporative / + ORDER / ORDERS + Personal management of all state niveaus + Personal Control of all states niveausMafia structure / inside or outside / + Monopoly Riegths + laws / rules / practices / procedures + possibility of taking an alternative decision - obligation - responsibilities - morality / ethics + Personal management and personal control of distribution of public state monetary and other resource (including European funds and funds).

The mafia is also available for the public and private sector. The power of the mafia and the corruption practices in Greece in the public sector are very stark.

THE MAIN PRICE is the material or non-material benefits of members of the above-mentioned structures.

Here is the connection BETWEEN THE MAFIA AND THE CORRUPTION

SPHERE OF THE MAFIA all over the world.

The mafia in Greece can be found in all spheres of the public live.

Sphere of Appearances of the Mafia: 1 /. In the state administration, 2). In politics, 3). In the justice system, 4). In the police, prosecutor, 5 /. In public services., 6 /. In the private sector, 7). In the TV, radio, television, newspaper, and etc., 8 /. In the citizen sector.

The political, financial and weapon producer mafia is the main reason for the beginning of the war in Iraq.

The slowness, the instability, the inconsistency of the "crowd" - the people, their inability to understand and feel the conditions of their own lives.

The power of the mob in the service of mafiaism is blind, unwise, unwise, serving to the left and to the right.

Mafiatitis makes suggestions for freedom equality, brotherhood, justice - pushing to debauchery, drunkenness Trickery, hypocrisy, violence, robbery and terror.

Terror takes place on all vertical and horizontal structures of the executive.

Terror is in favor of mafia and its representatives from the prosecutor's office, the judiciary.

Terrorism is carried out through the NRA, the Ministry of the Interior, the Prosecutor's Office, tax offices, municipal offices and others.

Mafiotsismus has the most important factor in public thought - print and print media, all types of media - mostly television and the Internet.

The crowd's thought moves through the press and the media. The role of the press and the media is to be: to sense the needs, to transmit the complaints and to reveal the dissatisfaction of the people. The seal proclaims free
speech. But that's obvious. News events are managed and controlled by representatives of mobbing.

Hunger and degeneration of the masses

With constant demands, constant spending, constantly increasing costs, taxes, uninterrupted indebtedness - hunger, taxes, obligations - give birth to slave dependence that governs the crowds, and their hands and minds are blocked for a different thought.

Liberalism

When the people conceive that they are making concessions and indulgences in the name of his freedom, he realizes that he is authoritative and raises against the valley. The people are like a blind man, who encounters all sorts of obstacles, problems, helpless looking for a patron - a support that is not as if he does not think he returns to his first position - puts his rights obediently in his authority.

Specula is a basic form of business and business relationships.

Capital is the one that moves the world, moves, and the slavery that controls the industry and trade

Weakened public thought. - those who ponder and oppose, need to learn to meditate, the mental forces must turn to a verbal shootout of legal time and blasphemy.

Societies must be deceived and deceived and manipulated

Chaos in public thought. Civil society is replaced and replaced by NGOs funded by the Mafia, and civil society is practically implemented and implemented.

To lose any opinion on political issues in the forefathers, and political issues are not within their competence of society, but only by those who direct the game.

Another strategy - people's flaws, habit, passions, rules of relationships, to yell so much to create a chaos that does not go out.

People cease to understand each other and they do not have to, to deny the people to think on political issues for their solving.

Personal initiatives must also be confronted - one against another - to make sense.

Monopolies destroy wealth. Capital humiliates agriculture.

Increase in wages and simultaneous increase in prices. Raising wages is not beneficial to workers, because at the same time prices will be increased, the rise in commodity prices, and sometimes the rise in wages. Representatives of mafiotismus hold public forces. They are the legislators, they determine the composition of the court and they give away justice, they punish, they pardon, they judge. They hold all these positions in their hands.

The Mafiotismus holds in his hands the unbridled ambitious, insatiable, greedy, ruthless of vengeance, the evil, the hateful, the envious.

Mafiotismus employs state institutions, education, education, municipal structures and all kinds of government, creates bourgeois arbitrariness, affects the rule of law, with liberal arbitrariness arbitrariness.

Consciously complicate and confuse legislation.

Judges do not do the law, no one can punish them, no one wants to punish the judges, no such institution to punish them, sanction them, fire them.

Mafiotismus and its representatives at the state level create and support the PROCESS OF THE BOGOLIVED IN THE COURT AND THE PROCUREMENT. Judgments that misrepresent the interpretations, contradict the law and its proper execution, create a precedent in a judicial system that does not allow the right of the court, create a precedent law that grossly violates the laws and rights of individuals and companies, decree contradictory interpretations.

Mafiotismus and their representatives affect the judiciary, electoral institutions, the press, the media, the freedom of person, education, and education as the cornerstones of free life.

The institutions are fragmented and divided the power of the state - the legislature, the executive and the judiciary. If one part is damaged, the whole state and its actions are also damaged. The state has suffered from the lack of justice, the lack of implementation of the law by judges, the lack of law enforcement by prosecutors.

The real blood of the state is poisoned - when the judiciary is poisoned. That country is best ruled by the Mafia.

"The Mafia places and appoints judges and prosecutors. The three pillars of chaos are in full dependence on mafios.

Mafia Control and Corruption Control in the Judicial System, - Court and Prosecutor's Office, Administration, Ministries. Appointed people who have something dark in the past, a mistake in their lives, violations of laws, an affair, a crime. Such persons are faithful and do all things to which they are commanded to execute orders, orders, for fear of being denigrated. They seek to preserve their privileges, authority, gains, honor, power, power, their rights to do what they want without being punished.

Destruction in the constitutions of everything that interferes with the mafia and pushing them into what seizes the very content of constitutions and citizens' rights.

Corrupt anti-corruption institutions are being set up, which are initiated by representatives of mobbing, but do not actually enforce the laws but conceal the crimes of their members and servants.

Depleting the population and citizens in their own daily problems of survival.

Dealing with the population. Real deprivation of the rights and freedoms of citizens demonstrated in the constitutions and their replacement into other subordinates in immutability.

Real destruction of citizens' freedoms in other laws and the actual deprivation of citizens' rights and freedoms in the constitution.
This leads to the confiscation of all rights, so that the laws will prohibit and resolve only those things that are in the interest of the mafia and their personal interest.

The whole press and all the media have been briefly controlled by mafia people. Persons with a different mindset will not be allowed to scent to media, television, radio, newspapers or magazines.

PUBLIC RESOURCE CONTROL SYSTEM

It is about controlling public funds at the level of prime minister and ministers, so that these public funds go only through companies close to the prime minister and to the respective ministers and report a percentage of the profits from these public funds.

COMPLETE SYSTEMS.

In this way and with these methods, judges and prosecutors, statesmen, officers, ministers

THE LEGISLATION SYSTEM

By means of auditing acts of revenue and other government agencies, tax offices that prove violations, obligations of individuals and companies in particularly large sizes, companies and persons will be kept in subordination, not presenting these documents, and will be kept on logs ready to run every time and use against the person or company concerned.

REAL CREATION OF AN OPTION

Who will make seeming attacks and protests The real firefights on political and any level will be in vain and fake.

CLOSING AND ADJUSTING CANCELLATION BY MAFIA IN PROSECUTORY

In order for the mafia to work in the prosecutor's office, the top of that organization should be the mafia.

DISPOSAL OF THE ATTENTION OF THE IMPORTANT POLITICAL PROBLEMS

DISTRIBUTION OF PUBLIC AWARENESS OF SERIOUS ISSUES.

KILLING THE LAWS, PRESSING THE POWER OF THE LAW.
- Not to enforce the laws.
- Breach of laws to the detriment of rivals, enemies of the mafia.

THE ADMINISTRATIVE COURTS WILL APPROXIMATE THE CRIMES OF THE EXECUTIVE AUTHORITY, GOVERNMENT, MINISTERS, MINISTERS-PRESIDENT. THE ADMINISTRATIVE BODIES WILL TERMINATE THE DEFENSE AGAINST STATE INSTITUTIONS, MINISTRIES, MINISTERS, MINISTERS - PRESIDENTS, - WHICH HAVE ALREADY DID NOT TAKE OFF CRIMES.

APPOINTMENT OF JUDGES AND PROSECUTORS IN FAVOR OF MAFIA. ESTABLISHING INSTITUTIONS TO CLOSE CRIMES, BREACHES OF LAWS BY JUDGES AND PROSECUTORS

Judges perform only mafia orders, honest citizens and businesses to lose cases.
Judging is done only on the basis of executing the orders of the Mafia.
Selection of judges and prosecutors only after receipt of orders and the conclusion of an agreement that they will execute mafia orders.
Applying the law by judges and prosecutors will follow the principle of mafia order, not law enforcement.
Judges and prosecutors are appointed only if they belong to the mafia.
Establish institutions and inspectors who will not punish the lawlessness and crimes committed by Mafia judges and prosecutors.
Fear of non-ascention, unrelated to the rank of judge or prosecutor.
Creating conditions for lifting and raising judges, police officers and prosecutors in rank - the single fulfillment of mafia orders.

CREATION OF STRUGGLE AND CLEARANCE IN THE COURT, MINISTRY OF INTERIOR PROTECTION IN THE HOME, CREATION OF STRUGGLE AND UNREGULAR REMEDY OF ALL AND ALWAYS ONLY IN FAVOR OF MAFIA. ABSOLUTE AS PRINCIPLE OF POWER

REMOVAL OF CASSATION LAW. In the Bulgarian Art. 280 of the CCP - Inclusion of cassation law in the power of the ruler and the mafia.
The seal will fall under the strict censorship of the Mafia only for its benefit.
Real use of all media and print media tools in favor and in the interest of the Mafia.
Different treatment of laws by judges and prosecutors.
Criminal proceedings against people belonging to the Mafia will be dealt with in their favor in violation of any legal provisions.
Criminal proceedings against people - opponents of the government's mafia - will be resolved in violation of the
laws to their detriment and their ruin - both intellectually, physically, mentally.

A halo of governmental infallibility and "non-violation" of the laws will be built.

A system of government-infallible laws will be created despite their ubiquitous violation.

Violation of the laws of citizens' rights and freedoms by government, ministers, state institutions, will remain unpunished by both the court and the prosecution.
